

**CSC 461: Machine Learning**  
**University of Rhode Island**  
**Oral Presentation**

This assignment can be done in groups of 2 or 3 students. For each selected topic, your group is required to prepare a presentation of 30 minutes (max).

## **Submission**

You will submit your presentation in **PDF format** via Gradescope, no later than **48 hours before the time of your presentation**. Be advised that failure to submit your PDF on time will cause significant loss of points.

## **Grading Rubric<sup>1</sup>**

<b>Criteria</b>	<b>Points</b>
Introduction lays out the topic/problem well	10
Information is presented in a logical sequence	10
Appropriate amount of material is presented	20
Visual aids are well-organized and appropriately used	15
Information is well communicated and with good use of assigned time	15
Team appears well-prepared (has obviously rehearsed)	20
Team answers questions correctly	10
